

I started mainly with chore-related cards and added specific behavior-cards as I saw need.

Some I plan to add based on the weaknesses I am seeing in our children.

<p><b>GET UP &amp; BE READY ON TIME</b> for school, for church, for anything that may be going on that day.</p>	<p>Do what I am told with <b>FIRST TIME OBEDIENCE</b> without forgetting what I was told, without dawdling, and with a good attitude.</p>	<p>Be helpful to my family and <b>CLEAN UP ANY MESSSES I FIND</b> without complaining, bragging, or telling anyone else to help with a good attitude.</p>
<p>Complete ALL of my <b>BEFORE BREAKFAST CHORES</b> to the best of my ability without any reminders or complaints.</p>	<p><b>NOT DAWDLE</b> when completing my chores and schoolwork.</p>	<p>Not try to parent others and <b>BE RESPONSIBLE ONLY FOR ME</b> However, if I feel someone is in danger, I will let an adult know.</p>
<p>I will remember to <b>BRUSH MY TEETH</b> without any reminders <u>after</u> breakfast AND clean up any messes I may find or make in the bathroom.</p>	<p><b>NOT BE A HINDRANCE</b> to others during chore time, school time, bed time, or any other time.</p>	<p><b>NOT INAPPROPRIATELY TATTLE</b> Instead, I will try to work out problems that are not threatening or dangerous &amp; will seek a parent's intervention when we cannot come to a compromise.</p>
<p>Complete ALL of my <b>BREAKFAST CHORES</b> to the best of my ability without any reminders or complaints and with a good, helpful attitude.</p>	<p><b>KEEP MY SPACES NEAT</b> which includes: my bed, my share of the closet, dresser, my toy shelves, my school shelves, my desk space, and any other spaces belonging to me.</p>	<p>Keep my <b>BODY CLEAN &amp; WELL-GROOMED</b> including proper bathing, trimming my nails, brushing my teeth, fixing my hair, and wearing clean clothes.</p>
<p>Complete ALL of my <b>LUNCH CHORES</b> to the best of my ability without any reminders or complaints and with a good, helpful attitude.</p>	<p><b>CLEAN UP AFTER MYSELF</b> at meal times, when moving to a different activity, and all other situations when I have made ANY kind of mess.</p>	<p>Choose my words carefully and <b>KEEP MY TONGUE FROM EVIL</b> By speaking words that encourage and build up others, by telling the truth, &amp; by not spreading rumors or words that hurt.</p>
<p>Complete ALL of my <b>DINNER TASKS</b> to the best of my ability without any reminders or complaints and with a good, helpful attitude.</p>	<p><b>USE INSIDE MANNERS</b> including: walking, not running, using my inside voice, not playing or climbing on the furniture, not jumping down the stairs.</p>	<p>Be considerate of my siblings and <b>INCLUDE OTHERS</b> in my activities when at all possible.</p>
<p>Complete ALL of my <b>EVENING DINNER CHORES</b> to the best of my ability without any reminders or complaints and with a good, helpful attitude.</p>	<p><b>USE PROPER TABLE MANNERS</b></p>	
<p><b>PICK UP &amp; PUT AWAY</b> <b>ALL OF MY CLEAN/DIRTY LAUNDRY</b> and put it where it belongs—not on the floor, not stuffed into the wrong drawer, but neatly and tidily put away.</p>	<p><b>USE KIND WORDS</b> when speaking to my brothers, sisters, and parents.</p>	
<p>Complete ALL of my <b>BEFORE BED TASKS</b> to the best of my ability without any reminders or complaints.</p>		
<p>I will remember to <b>BRUSH MY TEETH</b> without any reminders <u>before</u> bedtime AND clean up any messes I may find in the bathroom.</p>		
<p><b>BE READY FOR BED AND</b> <b>IN BED—ON TIME</b> without having to get up to get a drink, go to the bathroom, or anything else.</p>
