

3-D Notebooking: Top-Tab Book Template

*Gray dashed lines have been added to make cutting easier with cutting board.

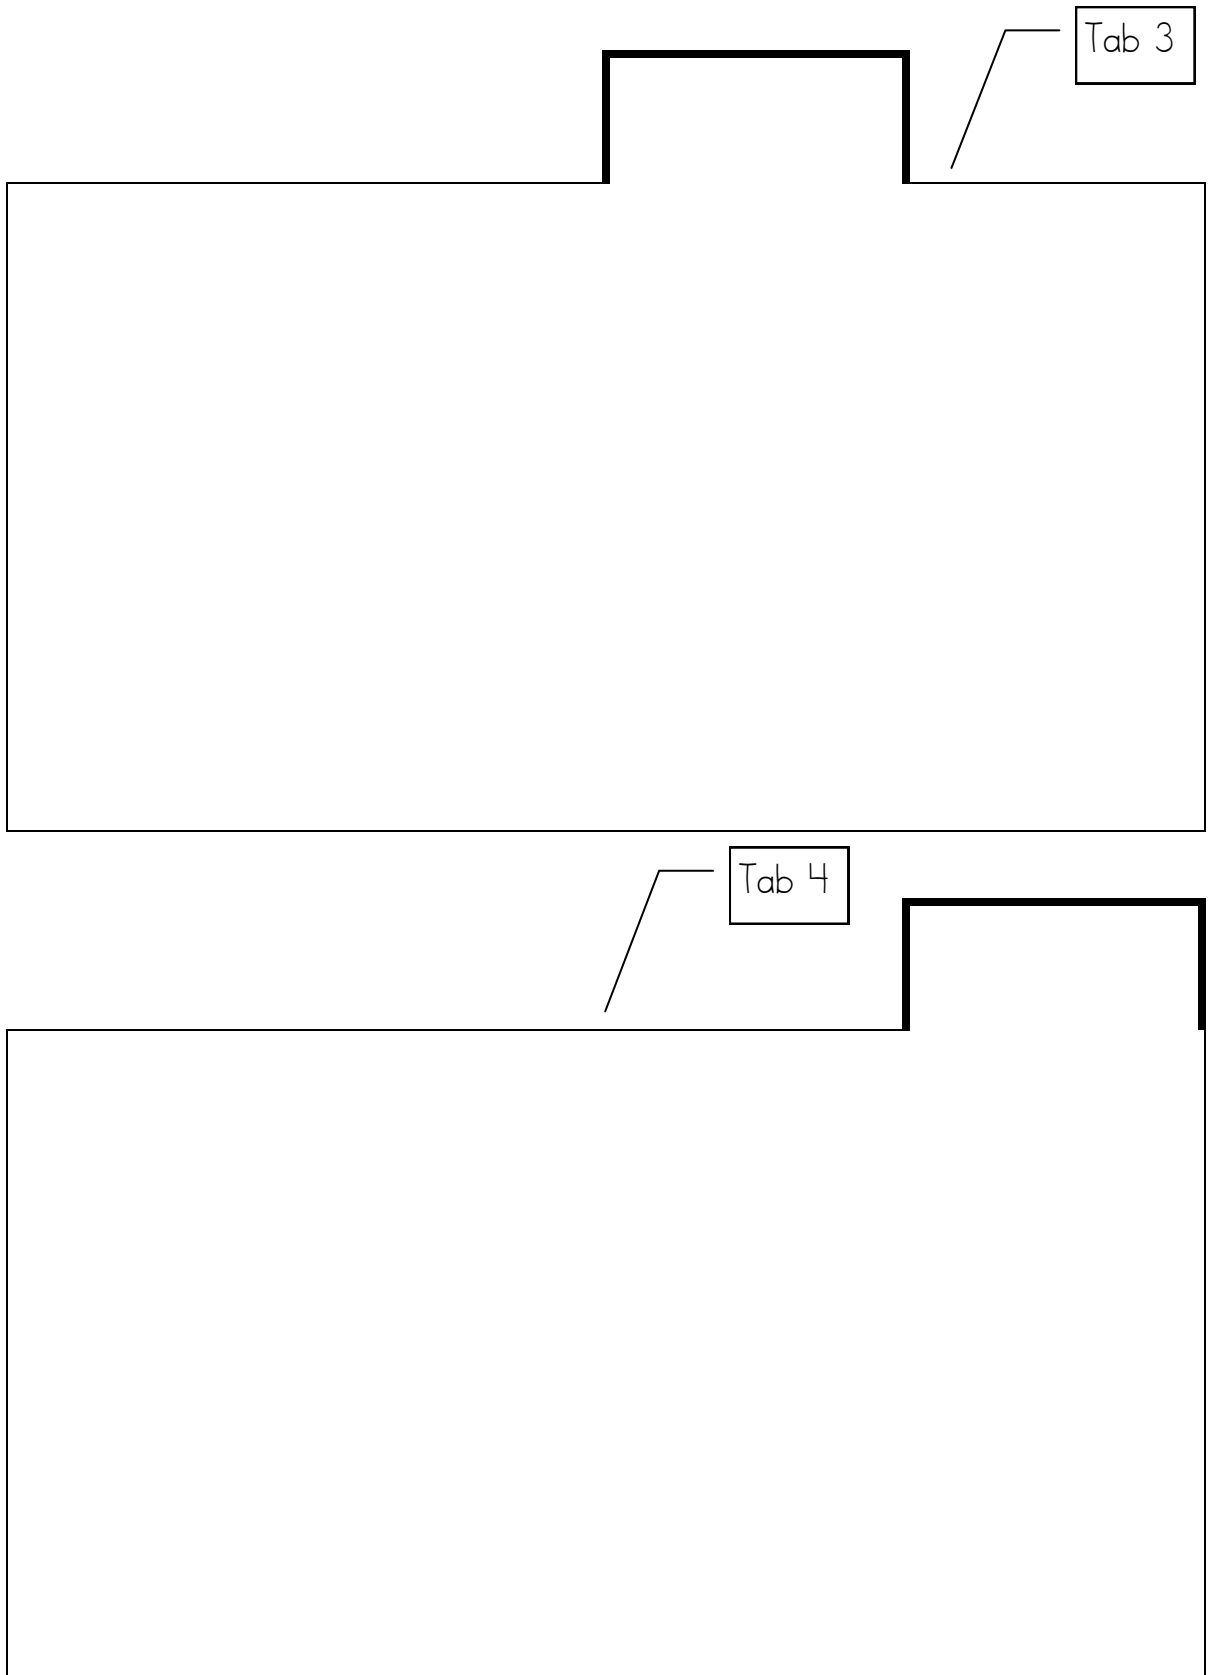

Cut out four tabs and title page. Stack in the following order: title page, tab 1, tab 2, tab 3, tab 4. Staple on left edge. Use the following pages of note-paper to add your information. Leave blank to add photos, illustrations, etc. Glue your top-tab book to the large rectangle of the lined template notebooking pages or use on your own pages.
